

#### Question 1

Encourage League action if something arises which our positions speak to that requires a response, however, keep the focus on areas in the MDW realm.

#### Question 3

Our league keeps an updated website with links to all levels of League and government and also has a Facebook page.

We provided voter registration training to community groups, had many voter registration drives in high schools as well as in the community. We also held 5 candidate forums and provided moderators to community groups.

Members interceded on behalf of citizen whose efforts to register voters was challenged.

League initiated effort to challenge restricted access to information about candidates.

Provided observers to local Public meetings, wrote letters to the editor for GOTV, participated in VOTE411, distributed LWVNJ Citizen Guides and signed people up online for LWVUS Action Alerts.

#### Question 4

Citizen's Right to Vote - We had a speaker on the various Voter reform efforts currently underway in New Jersey.

Public Policy on Reproductive Choice - We have a program planned with a speaker from Planned Parenthood.

Arms Control - We held a program with a speaker on Nuclear Winter.

Air Quality – We distribute Anti-Idling bookmarks.

Water Resources – We participated with our Inter-league organization in a forum for the public on Drinking Water Protection.

Public Participation – Provide a forum on local television – Facts & Issues – for community participation

Equal Rights – Participated in Women's Marches.
